Respect Life Ministry

Tiny Hands

The life growing inside a mother's womb is a perfect creation from God, loved and adored by Him even before she finds out she is pregnant. God will be with the mother throughout the pregnancy and after birth. Let's see the baby's development month by month and admire the marvel of God's creation!

Month 1 (weeks 1-4)

During the first month of pregnancy, fertilization occurs. Cell division and growth begins immediately and rapidly. The baby begins developing everything needed to survive until birth. The growing cells attach to the uterine wall and start to specialize and group together. By the end of the first month, the placenta, amniotic sac, and amniotic fluid are formed, as well as the beginning of the lungs, brain and spine. Only eighteen days later, the baby has a heart already beating.

Before I formed you in the womb I knew you, before you were born, I set you apart. *Jeremiah 1:5*

God already knows every baby. He already has a purpose, plans, and a direction for the little ones. "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you a hope and a future" *Jeremiah 29:11*

- Leanne Stevenson

Ministerio de Respeto a la Vida

Manos Pequeñas

La vida creciendo dentro del vientre de una madre es una perfecta creación de Dios. Es amada y adorada por Él aun antes de ella saber que está embarazada. Dios estará con esa madre durante todo su embarazo y hasta después del nacimiento. Veamos entonces el desarrollo de esa criatura mes por mes y admiremos la maravilla de la creación divina.

Mes 1 (semanas 1-4)

Durante el primer mes de embarazo, la fertilización ocurre. La división de células y su crecimiento son inmediatos y rápido para sobrevivir hasta el nacimiento. Las células en crecimiento se adhieren a la pared uterina y comienzan a especializarse y separarse en grupos. Para el final del primer mes, la placenta, el saco amniótico y el fluido amniótico están formados, al igual que los incipientes pulmones, cerebro y espina dorsal. Solo dieciocho días después, ya tiene un corazón que ya está latiendo.

Antes de formarte en el seno de tu madre, ya te conocía; antes de que tu nacieras, yo te consagré, *Jeremías 1,5*

Dios ya conoce a cada bebé. Él ya tiene un propósito, planes y una dirección para los pequeños. "Porque yo sé los planes que tengo para ti," dice el Señor, "planes de prosperidad y no de desgracia y un porvenir lleno de esperanza" *Jeremías 29,11*

ARCHDIOCESE OF MIAMI

Office of the Archbishop

March 15, 2022

"The Sunday Eucharist is the foundation and confirmation of all Christian practice. For this reason, the faithful are obliged to participate in the Eucharist on days of obligation.... Participation in the communal celebration of the Sunday Eucharist is a testimony of belonging and being faithful to Christ and to his Church." (CfCCC 2181, 2182)

Effective Palm Sunday, April 10, 2022, the obligation to participate in the Eucharist in person on Sundays and other holy days of obligation is restored. Unless excused for a serious reason (illness, care of infants or elderly, etc.) those who deliberately fail in this obligation commit a grave sin.

The Palm Sunday date was chosen to give pastors adequate time to prepare their parishioners and perhaps readjust Mass schedules, etc. As already published, mask requirements as well as requirements for social distancing have been lifted.

In March 2020, because of the extraordinary circumstances surrounding the Corona virus pandemic, the obligation of the faithful to participate in the Mass on Sundays and other holy days of obligation was suspended - although all were encouraged to participate in Mass via livestreamed or by "keeping holy the Lord's Day" through prayer and reflection on the Scriptures personally or with their families.

Sincerely yours in Christ,

Most Reverend Thomas Wenski
Archbishop of Miami
